Trio d'Argento

Three virtuosos join together in the exciting group, Trio d'Argento. Flautist Sibylle Marquardt, Clarinetist Peter Stoll, and pianist Todd Yaniv bring a superb level of excellence to the performance of their virtuoso arrangements and original pieces, but combine this with a fun, relaxed and conversational atmosphere onstage. They will deliver a school show and evening show in Haines Junction on November 23 and a school show in Whitehorse on November 26.
